The Academy Logo

The Leadership Academy logo is unique in its design and was created especially for District 5110 and shared with District 5010.. The logo is a combination of various sized wheels. The first wheel in the logo is the Rotary wheel which represents Rotary and its leaders. They are the "cogs" in the wheels that connect our clubs, our communities, our district and the world to make things happen. One cannot operate without the other. It is the efforts of many, working together, that accomplish all that Rotary does. The Rotary wheel leads the way as a guide to inspire future leaders.

Academy logo pins have been awarded to all Academy graduates and are awarded to each class of new graduates. The Academy pin carries with it great prestige and great responsibility with the understanding that the wearer has a responsibility to SERVE.

- Timely submission of all assignments. Courses last one month and must be completed during that time. The final exam for each course must be taken before proceeding to the next course. Students falling 30+ days behind may be dropped from the program with the option to complete the Academy program the following year.

How does someone enroll?

- Past Presidents , PE's, PN's and others are eligible for admission
- Admission is by nomination only.
- Nominations may be submitted by DG, PDG's, AG's, and Rotary Clubs.
- Class size is limited to 20 students

So . . . What do YOU think?

I'm very interested and would like to be nominated.

I'd like more information and would like to discuss this with an Academy leader.
